Track & Field

Cabri School had 33 students from grades 6 to 12 participate in Track and Field this year. Our first meet was the White meet in Swift current on May 19 which was very successful for our athletes as 24 students advanced to Districts.

The SWAC meet was held on Wednesday May 24. All of our competitors did very well, and we have 4 athletes that have advanced to Provincials in Saskatoon the first weekend of June!

Congratulations to all of our athletes, and we will be cheering hard for Karli, Tia, Connor and Hayley as they make their provincial run this weekend.
