April 2019

Class: (306)741-9496

Office: (306)778-9240

Spring is in the air! We have been so enjoying the warmer weather these last few weeks, and spending as much time as we can outside. Thank you for continuing to send your children with appropriate clothes for outside play each day! We will be spending more time each day outside as the weather continues to improve.

It is hard to believe that looking forward we only have about 12 weeks left of school. The year has been so full of fun, learning and exploring. We are going to be really working hard this month on name writing and letter learning. Our goal is that we will all be able to independently copy our name, and know the letter names. If you would like to work on these skills at home as well that would be fantastic.

Next week we will be starting a new project in our classroom as well. We have started talking about camping and will be working to create a camping center in our classroom. If you have not yet had a chance to see our display about our grocery store project please make sure to take a look the next time you are in the school.

Please continue to contact me with any questions or concerns you may have!

Miss White
