## BILLET INFORMATION

**Billet Information (for rural students in case of a storm and buses cannot run at the end of the day, or in an emergency situation (power outage, fire) if you live in town and your child is not old enough to stay on their own and you are at work or away that day).**

In the event the buses do not run at the end of the day or if there is a situation (no power, fire) at the school where we have to evacuate students we require a billet listing (someone who resides in the town of Herbert) where your child can go. We will not release the child unless definite arrangements have been made with the billet.
