

# DECEMBER

December is upon us, as is a change in season. This is such a wonderful time of the year. I love celebrating holidays and seeing the excitement and energy in our students and staff. It's hard to imagine that we are into our winter season with the great weather we had at the beginning of November. Already our days are shorter and the cold weather is settling in. I want to remind all families to dress for the weather. Please remember to label your student's belongings with their names so that they are located and returned when misplaced.

I want to thank all the parents who joined us for the community breakfast, as well as, those who came out to our Parent Teacher interview evenings to celebrate your children with us. You make my role as the principal a joy through your commitment to your children and our school. I wish you a wonderful month of December.

Mrs. Candice Fischer  
Principal

## Thank you

Heidi Klassen for the ground meat donations and to Tammy Grimm for donating the left over Town BBQ meat for our Chilli Hot Lunch last November.

And a special thank you to all who came out to celebrate Education Week by joining us for Breakfast!!!
